

OLYMPIA SUMMER 2024

GET READY FOR CAMP PACKAGE

- The safety of our campers, coaches and staff is our top priority. Olympia remains in constant contact with the Ontario Camps Association as well as Local and Municipal Governments and Health Departments and will do so for the duration of the summer.

All protocols and recommendations are informed by the above-mentioned agencies. We have implemented recommended best practices to keep our campers and staff safe.

PRIOR to ARRIVAL at CAMP:

For the betterment of Camper and Staff health, we ask that all Campers and Staff self-screen for covid or any other contagions prior to their arrival to camp if they are showing any symptoms.

Proof of Vaccination is not required to be uploaded to your account. Campers will not be tested upon arrival to camp.

CABIN ASSIGNMENTS:

We understand the importance of cabin requests and every effort is made to honor these requests; however, this is not always possible.

Any changes to cabin assignments may be requested by email (sherri@olympiasportscamp.com) up to three weeks prior to your arrival. Switches are not guaranteed and will depend on space and availability. Changes cannot be made during check-in or during your child's stay.

ARRIVAL TIME: 12-2 PM

If you arrive early before check-in time has started, you may park alongside the road and wait until registration opens.

If you are unable to arrive during the check-in window, please contact our office to schedule an alternate arrival time. All requests must be made in writing to info@olympiasportscamp.com

WHILE at CAMP:

Staff will be performing and promoting frequent, proper hand hygiene (including supervising or assisting camp participants with hand hygiene). Handwashing using soap and water is recommended over alcohol-based hand rub (ABHR) when visibly soiled.

Staff and campers will follow a routine of hand washing with soap and water throughout the day. For example: Washing hands before we arrive to session, after using the washroom, before and after eating, after playing outdoors, after using a tissue, and any time hands are visibly soiled.

Hand sanitizing stations will be available throughout camp sites.

Masks may be worn indoors at a camper's discretion or when and where the medical team feel it is in the safety of all to do so.

Campers will be provided a personal storage space/area for their personal belongings. Personal belongings brought to camp should not be shared between individuals. If brought to camp, personal items (e.g., backpack, clothing, towel, water bottle, food, sunscreen, bug repellent, etc.) should be labeled and kept in the individual's designated area. Campers have a small storage space under each bunk bed. The space is just under 2 feet high, so please pack your camper's belongings accordingly.

DEPARTURE FROM CAMP:

Closing Ceremonies begins promptly at 11 AM. (Parent(s)/Guardian(s) are welcome to attend)
All campers must be picked-up and off the property before noon.

If you need to pick-up your camper at a different time, (outside of the check-out window) alternative arrangements can be made by submitting a written request to the office: info@olympiasportscamp.com

If someone other than a child's parents will be picking them up, a request for an Alternate Driver must be submitted in writing to the office at info@olympiasportscamp.com . Campers will only be released to those approved on their camper profile.

Campers that are staying with us for more than 1 consecutive week will remain on the property once check-out is complete. They will have a fully supervised stay-over program with activities including waterfront time, games and movies.

How to Reach Us

The summer office will be open and operating beginning Monday June 24th 9am – 5 pm.

What Not to Bring

We understand the importance to be in contact with your child while they are away from home. Olympia's top priority is fostering a safe and nurturing environment and we understand that putting your child in our care is an act of trust which we take very seriously.

Our goal is to have every camper fully present and engaged with each other, our staff and coaches during their stay. We ask that cell phones and other electronic devices NOT be brought to camp. If a camper is found with any of the below listed devices, it will be locked away. NO EXCEPTIONS. Items will be returned upon the camper's departure.

OLYMPIA WILL NOT BE HELD RESPONSIBLE FOR LOST OR STOLEN ITEMS. DO NOT BRING THEM!

xCell Phones xMP3 Players xLaptops

xGaming Devices xiPods and iPads

The following are also NOT Permitted at camp:

xTobacco xAlcohol xFireworks xVapes

x Weapons of Any Kind xDrugs or Drug Paraphernalia

POSSESSION OF ANY OF THESE ITEMS WILL RESULT IN IMMEDIATE DISMISSAL FROM CAMP.

OLYMPIA IS A NUT AWARE CAMP

Due to variables outside our control, Olympia does not claim to be a peanut-free or nut-free environment. We consider Camp Olympia a nut-aware facility by taking the following proactive steps:

* Olympia does not knowingly serve food that contains nuts. We do however permit the use of products that list "may contain traces of peanut products" or "may contain traces of nut products" in the ingredients.

* Our tuck shop does not knowingly stock or sell products that contain nuts. We do however sell products that list "may contain traces of peanut products" or "may contain traces of nut products" in the ingredients.

* We request that campers, staff, coaches, and guests do not bring products containing nuts onto our facility.

* If found, staff are instructed to remove products containing nuts from the property.

Camper's prone to anaphylactic reactions are required to bring an epi-pen and always carry one on their body. Olympia does have several epi-pens located strategically throughout the camp. Parents of campers with a known anaphylactic allergy must disclose this condition on the camper's medical forms during registration. We encourage parents to talk with the medical staff at Olympia's Health Centre and their children's cabin leader upon their arrival. Olympia takes every step possible to make our camp a nut-aware facility, however Olympia does not assume any liability for adverse reactions to food consumed, or items one may come in contact with while eating our products.

The Tuck and Pro Shop

The Tuck Shop is our camp store which sells a variety of different products for purchase. Each camper has their own account with a pre-paid amount that has been set up by the camper's family. Each time your camper makes a purchase, the amount will be deducted directly from the account.

At the end of your child's stay, any unused funds remaining in the account over \$5.00 will be refunded back onto the card that was originally used to set up the account. No money will be returned to the camper.

We ask that you complete the account set-up BEFORE your child's arrival.
